**NATIONAL HEADQUARTERS, P.M.B. 125, WUSE, ABUJA, NIGERIA**

## **TRAFFIC ALERT**

### **COPING WITH THE HAZARDS OF BLACKSPOTS ON THE NATION'S HIGHWAYS**

#### **PREAMBLE:**

The Federal Road Safety Commission (FRSC) was established in 1988 vide FRSC Act Cap 141 Laws of the Federation of Nigeria LFN, 1990 as amended and today, FRSC (Establishment) Act, 2007 is the lead agency with statutory responsibility of overseeing Road Traffic Administration and Safety Management matters in Nigeria.

Pursuant to its function of educating drivers, motorists and other members of the public on proper use of the highways, has identified some blackspots (accident prone locations) on various routes along the nation's highways.

The motoring public is hereby warned to observe strict caution while plying such locations in order to reduce the spate of avoidable road carnage.
